Dear Marty:

We want to thank you for all your help and dedication with the lease of our new building for our dance school. Your patience and expertise certainly made all the difference. We feel that the transaction could not have gone any smoother, and we could not have done it without you. We will look forward to working with you in the future when the time comes to buy or open a second school. Meanwhile, if any of our friends, family or acquaintances are in need of commercial real estate services, we will highly recommend you.

Best Regards,
